## OUR STORY

We met 15 years ago while playing competitive roller derby - a full contact sport on rollerskates. We saw this inclusive, body positive and empowering sport change people's lives profoundly, including our own. And we wanted to create an accessible and approachable way for more people to access this kind of powerful experience.

So in 2018 we came together to create Rolla Skate Club - a rollerskating gym that parties on the weekends!

Rolla Skate Club creates transformative experiences for you and your team members. People leave our classes and events feeling joyful, exhilarated, and empowered. Get ready to take on the world!

## SATURDAY NIGHT OUTINGS

Join us for a Saturday Night Skate - get a VIP lounge area and join the fun! (great for groups up to 75)

## TEAM BUILDING SESSIONS

Build trust and empathy and have a ton of fun at a team building lesson - customized to your group! (10-30 skaters)
